

Southend Vox Chamber Choir won 3 awards at the 2018 Leigh-on-Sea Music Festival

*"My heart is gladder than all these
Because my love is come to me."*

Weddings and events: Southend Vox Chamber Choir can offer several combinations of music for your wedding or civil partnership:

Ceremony Music: To make the most important part of your day even more special, we will greet your guests with two songs as they enter for the ceremony, perform for the bridal entry, sing two songs during the signing of the register and a song to accompany the exit of the newly married couple. For religious services, we can also join with any hymns. As part of the package we can learn one song of your choosing, subject to suitability.

If 'music be the food of love' then there's nothing better than music to help you create joyful memories of a loving occasion! Having a small choir there could be the perfect way to achieve this and add a unique dimension to your day.

Reception: To add a unique element to your day, why not let us entertain your guests at your drinks reception! This is an ideal way to start any celebration and can avoid any lull whilst you are occupied with having your photos taken. We would usually provide 45-60 minutes of entertainment from our full repertoire.

Pricing: The cost of booking the choir depends on the specific requirements and location, but as a rough guide, for 8-10 singers:

1. Wedding ceremony (6 songs): £300
2. Reception / event 45 minutes: £250
3. Combined package: £500

Prices are for weddings or civil ceremonies within 20 miles of Southend-on-Sea area. For events outside this area, travel expenses (up to £4.50 per mile) will be added to our fee.

Weddings & Events

Song choices are very personal and will always depend on the couple and the venue. We've listed some of our repertoire that we hope you will enjoy. We are always happy to hear your suggestions!

Bookings: We generally require no less than 9 months' notice for a new booking. Once your booking is secured, we will provide an hour's consultation 6-9 months before your special day to discuss your requirements and help you select your songs.

Deposit: A non-refundable deposit of £50 will be required to secure your event date.
